The Hospital Revenue Cycle Law Firm.

Throughout my tenure as Executive Director and Senior Director of Revenue Cycle at two of the nation's most prestigious and acclaimed academic health systems, the Law Firm of Charles J. Hilton & Associates, P.C. assisted these leading health systems in the collection of workers' compensation claims, commercial payer collections, managed care appeals, Medicare appeals, ERISA insurance collections from self funded employer plans and/or their third party payers, PPO underpays, automobile and other accident related claims, coordination of benefit delays, insurer requests for refunds, take-backs, offsets, etc. The Hilton Law Firm's work product on these denied and slow paying insurance accounts resulted in millions of dollars in revenue for the Revenue Cycle Team at these nationally recognized health systems.

During my twenty-nine (29) year tenure in revenue cycle management, I have utilized the law firm of Charles J. Hilton & Associates at three different health systems in three different states. I highly recommend the Law Firm of Charles J. Hilton & Associates to assist your Revenue Cycle Department in collecting denied and slow paying insurance accounts."
